**SUPPLEMENTARY INFORMATION:** This notice supersedes a similar notice published in the Federal Register on January 5, 2016, at 81 FR 248. The Computer Matching program seeks to set forth the terms and conditions governing disclosures of records, information, or data (collectively referred to herein as “data”) made by SBA to HUD. This data is obtained by SBA and pertains to delinquent debt that individuals owe to SBA. The purpose of its transmittal is to update the Credit Alert Verification Reporting System (CAIVRS), which is a computer information system maintained by HUD. The data match will allow for the prescreening of applicants for Federal direct loans or federally guaranteed loans, for the purpose of determining the applicant’s credit worthiness, by ascertaining whether the applicant is delinquent or in default on a loan owed directly to or guaranteed by the Federal Government. The terms and conditions of this Agreement ensure that SBA makes such disclosures of data, and that HUD uses such disclosed data, in accordance with the requirements of the Privacy Act of 1974, as amended by the Computer Matching and Privacy Protection Act (CMPPA) of 1988, 5 U.S.C. § 552a.

**PARTICIPATING AGENCIES:** The U.S. Small Business Administration is the source agency and the Department of Housing and Urban Development is the recipient agency.

**AUTHORITY FOR CONDUCTING THE MATCHING PROGRAM:** HUD and SBA are authorized to participate in the matching program under Title 31, United States Code, Section 3720B. Office of Management and Budget (OMB) Circulars A-129 (Managing Federal Credit Programs) and A-70 (Policies and Guidelines for Federal Credit Programs); the Budget and

Accounting Acts of 1921 and 1950, as amended; the Debt Collection Act of 1982, as amended; the Deficit Reduction Act of 1984, as amended, and the Debt Collection Improvement Act of 1996, as amended.

**PURPOSE:** The purpose of CAIVRS is to give participating federal agencies and authorized private lenders acting on the government's behalf, access to a database of delinquent federal debtors for the purpose of pre-screening the credit worthiness of applicants for direct loans and federally guaranteed loans. The use of CAIVRS will allow HUD to better monitor its credit programs and to reduce the credit extended to individuals with outstanding delinquencies on debts owed to HUD and other Federal agencies. Thus, both risk reduction and debt recovery are primary objectives of CAIVRS and this matching program.

**CATEGORIES OF INDIVIDUALS:** The matching program involves records of individuals applying for direct loans and federally guaranteed loans.

**CATEGORIES OF RECORDS:** The following is the category of record in this matching agreement:

- Borrower ID Number – SSN, Employer Identification Number (EIN) or Taxpayer Identification Number (TIN) of the individual debtor on a delinquent federal direct loan or federally-guaranteed loan.

**SYSTEMS OF RECORDS:** The HUD records used in the information comparison are retrieved from, and the results of the information comparison are maintained within, the HUD system of records from the following systems: HUD/SFH-01 Single Family Default Monitoring System, SFDMS, F42D (72 FR 65350 November 20, 2007; routine uses updated 80 FR 81837, December 31, 2015); HSN.G.SF/HWAA.02 – Single Family Insurance System – Claims Subsystem, CLAIMS, A43C (79 FR 10825 February 26, 2014); HUD/HS-55 – Debt Collection

SBA will provide HUD with delinquent debtor files contained in the Systems of Records described above for obligors that have received a 60-day due process notification letter prior to referral to the Department of Treasury for offset and cross-servicing.
